Information Disclosure Statement

1. The information disclosure statement filed June 12, 2003 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each reference listed that is not in the English language. The information disclosure statement does not explain the relevance of the "Korean Office Action". The "Korean Office Action" has been placed in the application file, but the information referred to therein has not been considered. The Examiner has considered the remaining references listed in the information disclosure.
